The Apples Ain't Apples Presentation

The Newcastle Markets *Apples Ain't Apples* presentation is designed for students in **Years 2, 3 and 4**. A Newcastle Markets representative will come to your school to conduct the presentation.

The presentation content covers how much fruit and vegetables students should eat every day, what nutrients are in fruit and vegetables, the difference between fruit and vegetables, the different parts of the plant that fruit and vegetables come from and how fresh produce travels from paddock to plate through the Central Market System.

The visit may also include an appearance by costume character 'Megabite Apple', 'Summa Strawberry', 'Bazza Banana' or 'Oscar Orange' (depending on availability of characters).

To register for the presentation, please fill in the details below and select **three possible dates** (in different weeks) that are suitable to your class.

The *Apples Ain't Apples* school visits are strictly limited, so please fax back your details as soon as possible to avoid disappointment.

Before filling out this form, please read the "Apples Ain't Apples presentation guidelines and requirements"
