To All Retailers/Market Users

With the NSW governments recent announcement to further ease restrictions from 1st June 2020, Newcastle Markets will now allow entry to the market trading area from Monday 1st June.

It is requested that you continue to observe the social distancing measures put in place by the government, practice good hygiene and respect any directions from our market wholesalers regarding their own management practices.

The wholesalers have requested that you continue to use their current ordering system and limit unnecessary loitering within the market.

Newcastle Markets thanks you for your patience and co-operation during these unprecedented times.

Regards
Newcastle Markets
